Season 2 Competitive Cheerleading Membership Pack

SRR ELITE CHEERLEADING

Competitive Cheerleading at SRR Elite Cheerleading

Competitive Cheerleading is something we have introduced for the 2025-2026 season. We wanted to give our athletes an incredible insight to competitive cheerleading and what it entails, we have loved our first season!🩷

All teams will be decided after our season 2 evaluations:
Monday 20th July 2026 5-7pm
Stanway Secondary School, Colchester
if you are unable to make evaluations, however would still like to be considered for our competitive teams , please email us for information regarding our video evaluations

For more information please message us, or email:

Competitive cheerleading Evaluations

Our cheerleading evaluations are an opportunity for athletes to showcase their current skills, strengths, and potential in a positive and supportive environment. They help our coaches place each athlete on the team where they will be challenged, continue to develop, and have the best possible experience. During evaluations, athletes may be asked to demonstrate skills such as jumps, tumbling, stunts, motions, and dance, depending on their age and ability level. Team placements are based on a combination of skill level, teamwork, attitude, commitment, and overall team needs, ensuring every athlete has the opportunity to grow, build confidence, and succeed throughout the season🩷
